Home page

Welcome to Enter Finland, the online service of the Finnish Immigration Service! Here you can apply for a residence permit or for Finnish citizenship online.

Choose an application below:

First residence permit

When you do not have a residence permit and you plan to move to Finland.

Extended residence permit

When your residence permit is about to expire.

Permanent residence permit

When you want to apply for a permanent residence permit.

Seasonal work

When you are coming to Finland for seasonal work.

EU citizens and their family members

Registrations, certificates and residence cards for EU citizens and their family members.

Finnish citizenship

Apply for Finnish citizenship.

Brexit

When you are a British citizen or family member and you want to continue to reside in Finland.

Renewing residence permit card or residence card

When you want to renew your existing residence permit card or residence card.

Тимчасовий захист: Подання заявки на отримання

Temporary protection application information page - You want to extend given temporary protection status.

If you are not sure which type of application you should choose, use the [Application Finder](#) on the Finnish Immigration Service website to find out. For instructions on how to use the online service, see the page [Online services](#).

Hi! How can I help you?

Kiitos!
