

Receipt  Hero

**Welcome to the era  
of digital receipts**

# ReceiptHero in action

01

Pay with your payment card

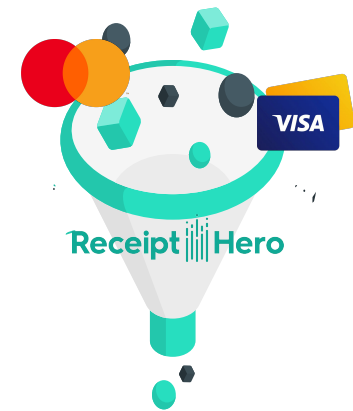

At ReceiptHero activated merchants

02

We do the magic

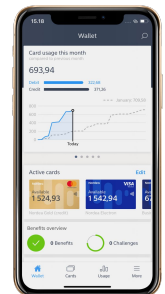

Matching the payment card transaction against the itemised transaction from merchants point of sale

03

View digital receipt in the banking app

or other 3rd party app like loyalty scheme

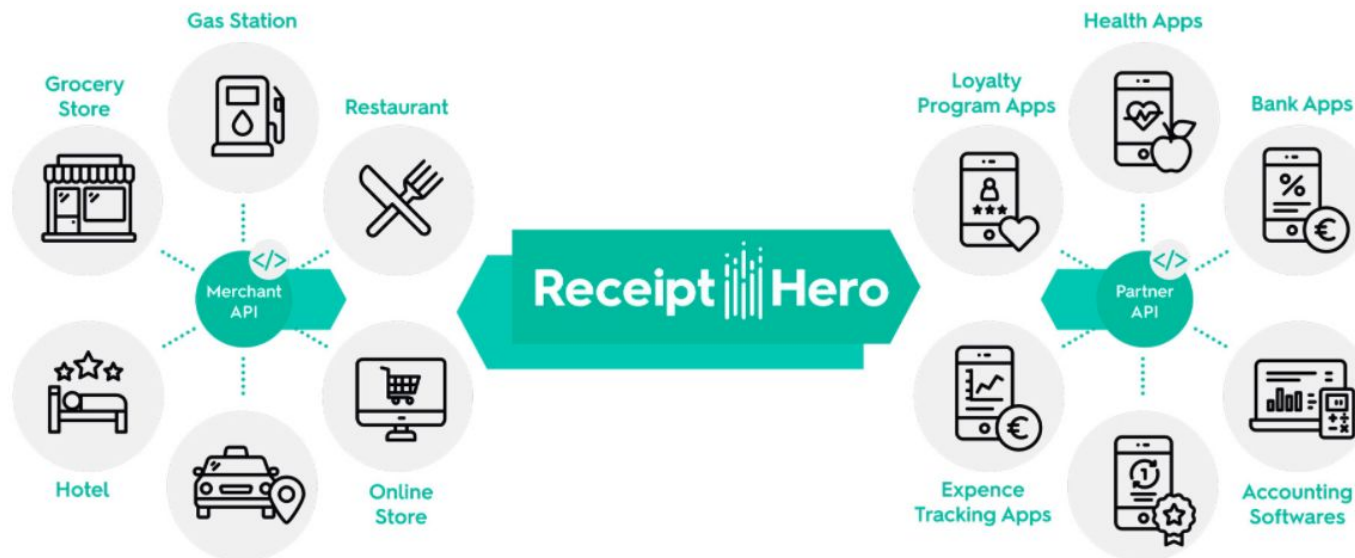

# The first Platform based operator to use structured receipt data

## API for Merchants / Point Of Sale vendors

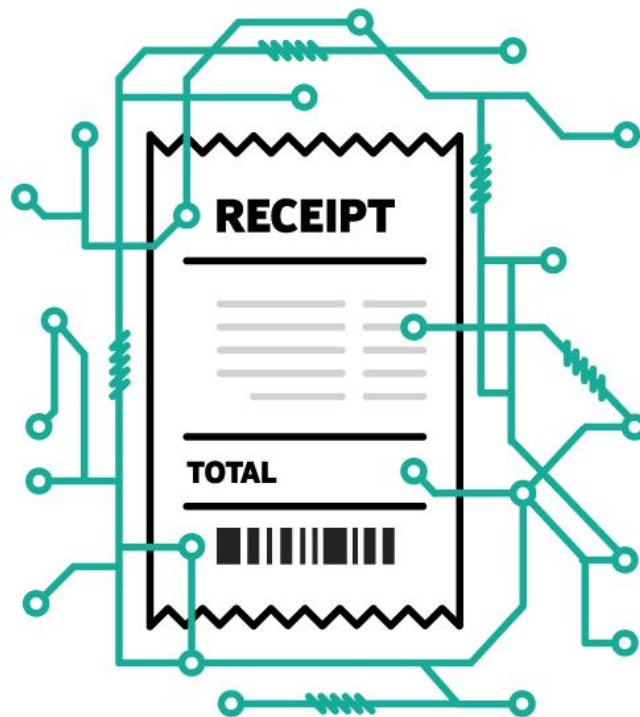

- Push Receipt and transaction data to ReceiptHero
- Receipt delivery to customers happens automatically in the background

## API for Banks and 3rd party applications

- Receive receipt & payment transaction data
- Link receipts to payment cards automatically

# Mitä tapahtui eKuiteissa 2020?

# Ensimmäiset askeleet globaalin “nelikulma-mallin” edistämiseksi otettu
